Uduak John
FULL STACK WEB DEVELOPER

I code so I can learn, and I would love to join your team or work on your project(s) if it offers great learning and growth opportunities for me as an individual and then as a Developer. Whether figuring out a difficult problem or crafting a beautiful user experience, programming satisfies my desire for both constant learning and personal ongoing refinement.

EXPERIENCE

MICROVERSE, *Remote*
Mentor (Volunteer), December 2020 – July 2021
- Mentored junior web developers, providing technical support through code reviews on a 1:1 basis.
